Dr. Frank B. Robinson

Dr. Frank B. Robinson

FOUNDER OF

“PSYCHIANA”

DR. ROBINSON WILL SPEAK THREE TIMES AT

Shrine Auditorium

1119 S. W. Park Ave., Portland, Ore.

There will be no admission charge to these addresses and Dr. Robinson will personally meet all students at the close of every meeting. The meetings will be open to all, but it is suggested that students be in their seats as early as possible as usually when Dr. Robinson speaks, many are turned away. We suggest that our students bring a group of friends with them when they come. These meetings will be very powerful, as Dr. Robinson never minces any words in speaking of the Power of the God-Realm, and you should not miss one of these powerful addresses. It will be necessary, though, to be at the Auditorium by 7 p. m. It is entirely possible to witness a great manifestation of the Power of the God-Law, so come prepared, and between now and the meetings think continually of them, and send “Power-Thoughts” to Dr. Robinson. You have waited several years for this opportunity—now it is yours, so make the most of it. Bring as many friends as you can, and come early.
